## Green-up Day- Saturday, June 1 10-3

**We have held Green-up Days since 1983. Can you help?  
We need planters, bakers, dogs and grill masters.**

We get lots of plants to put in our tree beds. We need volunteers to add to our already beautiful block. Even 30 minutes helps!

Our Bake Sale has tasty home-made treats. Please bake something and then come shop for someone else's home cooking. Always a treat!

Everyone loves the barbecue! The smell of the grilling burgers says "Summertime." Our barbecue needs grill masters and help setting-up.

Our Dog Show is popular with participants and the audience. We always have prizes and the pooches never fail to delight! Registration Saturday before 1:00 p.m.

There will be a raffle with great prizes.

Face painting if you dare

Kids play on our car-free street! Bring your bikes. Check it out!

The volunteers who participate make the day fun and our street beautiful for the summer. Contact Andrea Markinson at [waitsfield@gmail.com](mailto:waitsfield@gmail.com)
