Time for Halloween!
Trick of Treating
Thursday, October 31
5:00 – 7:30 PM
Candy will be distributed at sidewalk entrances of participating households.
Block closed to traffic from 3:30 – 9:00 PM.

Given the large number of trick or treaters (as many as 2,000), please collect candy in a box in the lobby of your building.

The largest event the Block Association conducts every year is the annual Halloween block party. Every year thousands of trick or treaters of all ages come to our block for candy and to see the decorations. Please consider decorating your building. It really helps make the event so much more festive.

Our trick or treaters come in search of candy. Please collect candy in your building. We recommend giving out one piece of candy to each trick or treaters. We will have extra candy available outside of 35 W. 90th if you happen to run out.

Finally, please be available to help with clean up of the block when the event ends at 7:30 PM

The West 90th Street Park Block Association has a permit from the mayor's office to close the street to parked cars and traffic. West 90th Street between Central Park West and Columbus Avenue will be closed from 3:30 pm - 9:00 pm on Halloween, Thursday October 31st. Please move your vehicle before 3:30 PM on 10/31/24. You may continue parking on the street after 9:00 PM.

We Need Your Help

The West 90th Street Park Block Association works to make our neighborhood beautiful, clean, and safe, while building a stronger community. We have been around since 1971, and we are a 501 (c) (4) tax exempt organization. Our association cares for the trees on the block, works to increase street-side plantings and strives to improve the cleanliness of the street. We work with local government representatives to address issues related to garbage handling, recycling, safety, and rat control. Of course, you might know us best for our annual block events such as the Halloween block party and the Spring Green-Up day.
